Customers gain access to products through Robbins' web site, individualized appointments, and classes. The classes are given at a client's home and in a party atmosphere. Free products and prizes are handed out. Usually attendees leave the party with their products, or they will receive them within two days. There is a 100% satisfaction guarantee honored on all products.

Robbins became a consultant because she enjoyed using the Mary Kay products and wanted flexibility in her work. She began selling part-time and now sells full-time.
