www.colchesterfamilymed.com

Colchester Family Medicine is located at 123 Broadway in Colchester, across from Harry's Place. A family medicine practice, the team focuses on

providing high quality, detailed and preventative healthcare in a careful and respectful manner.

Dr. Olawale Ayeni is the company owner and physician. He opened the business a year ago with 12 years of experience, and two years practicing at a Colchester walk-in clinic. His patients are people of all ages, often families, and reside within a 25 mile radius of Colchester. Many patients find that Dr. Ayeni schedules appointments so that he is able to spend an ample amount of time with them, getting to know their needs and working with them to figure out how they can be as healthy as possible. His team members include receptionist Chris Mangafakis, nurse Desiree Brown, and medical assistant Karen Harrington. They provide same day care for urgent concerns.

On October 23, the team will celebrate their one year anniversary and invite you to join them at their office from 5:30 p.m. to 7:30 p.m. Beverages, appetizers, and a free raffle will be available to all attendees.
